Dear Jeremy,

The Australian Technical Millers' Association Inc. (ATMA) is pleased to inform you that you have won **The Young Achiever Award** for 2010.

The Award is to be made at the Dinner during the Australasian Milling Conference to be held in Melbourne in April 2010. We are aware that as a Nabim Distance Learning Course winner you will be attending the conference.

You now have the task of planning for an overseas trip to enhance and develop your knowledge and skills in the milling industry. The Award provides up to \$12,000 to fund your trip.

We would expect this trip to be undertaken within the next 18 months and will liaise with you as the trip plan is developed.

I am advised that the judges rated you very highly and were very impressed by your conduct in the interview process.

We offer our congratulations to you on the achievement of winning this prestigious Award.

Yours sincerely,

Graeme Lukey
